CANNED PUDDING

The canned chocolate and vanilla pudding cups have been put on HOLD in the warehouse. The pudding cups were packaged in metal containers with metal pull top lids which could potentially cause injury to students. If you have received this product please put it on hold. Once a determination has been made, all LEA's will be notified regarding what to do with this product

NEWS FLASH

Plans are underway for the 2004 Commodity Expo. The Expo provides an opportunity to sample products that will be offered through the Commodity Program for the next school year. The Commodity Expo locations, dates and registration forms will be available on the Web by November 1. An e-mail will be sent to all authorized representatives regarding the Commodity Expo information.

Reminder

Please make sure that the person responsible for unloading the USDA truck has a copy of the items that are to be delivered. **DO NOT** accept any product that does not belong to your school.

It is *important* that each LEA understands that once processed product has been ordered, it may not be canceled. The processors produce and ship the quantity of product prior to deliveries.

Holiday Deliveries/Inclement Weather

Due to November and December being short months some of the deliveries will be earlier in the month than normal.

It is that time of the year when weather can get bad and schools close. FDA trucks will still be attempting deliveries. Please work with FDA in the event of bad weather so all deliveries can be made in a timely fashion.
